

Public Works Director – Job Duties and Qualifications

- Supervises, manages and administers a Public Works Department of 340+ employees with a \$50M+ budget.
- Is responsible for both the construction and operation and maintenance for streets, drainage, parks, buildings and other infrastructure and engineering.
- Also includes oversight of environmental quality and compliance along with public transit and the vehicle and equipment fleet.
- Desirable qualifications include a bachelor's degree in public or business administration or engineering-related field, and considerable experience in administration and management of budgets, personnel, contracts, construction, infrastructure maintenance, planning, public relations, preferably with a municipal operations and engineering focus. Registration in Louisiana as a Professional Engineer is a plus.

Qualified and interested candidates should send resumes to **applicant@lafayettela.gov** by April 16.

All inquiries should be sent to applicant@lafayettela.gov.
